Information about our use of cookies

Our website https://www.mandalehomes.com/ uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.

- **Analytical cookies.** These allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

- **Performance cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

- **Advertisement cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Necessary Cookies

These cookies do not store any personally identifiable data.

Cookie Name	Purpose	More information
cookieyesID	CookieYes sets this cookie as a unique identifier for visitors according to their consent.	Duration: 1 year Type: https

cky-action	This cookie is set by CookieYes and is used to remember the action taken by the user.	Duration: 1 year Type: https

Advertisement Cookies

test_cookie	The test_cookie is set by doubleclick.net and is used to determine if the user's browser supports cookies.	Duration: 15 minutes Type: https
IDE	Google DoubleClick IDE cookies are used to store information about how the user uses the website to present them with relevant ads and according to the user profile.	Duration: 1 year 24 days Type: https
_fbp	This cookie is set by Facebook to display advertisements when either on Facebook or on a digital platform powered by Facebook advertising, after visiting the website.	Duration: 3 months Type: https
fr	Facebook sets this cookie to show relevant advertisements to users by tracking user behaviour across the web, on sites that have Facebook pixel or Facebook social plugin.	Duration: 3 months Type: https

Analytical Cookies

_gcl_au	Provided by Google Tag Manager to experiment advertisement efficiency of websites using their services.	Duration: 3 months Type: https
_ga	The _ga cookie, installed by Google Analytics, calculates visitor, session and campaign data and also keeps track of site usage for the site's analytics report. The cookie stores information anonymously and assigns a randomly generated number to recognize unique visitors.	Duration: 2 years Type: https
_gid	Installed by Google Analytics, _gid cookie stores information on how visitors use a website, while also creating an analytics report of the website's performance. Some of the data that are collected include the number of visitors, their source, and the pages they visit anonymously.	Duration: 3 months Type: https

Performance Cookies

_gat	This cookie is installed by Google Universal Analytics to restrain request rate and thus limit the collection of data on high traffic sites.	Duration: 1 minute Type: https

Other

_gali	This cookie is associated with Google Analytics. This cookie is used to collect information about how visitors use our site such as which links on a page are being clicked.	Duration: 30 seconds Type: https

We do not share the information collected by the cookies with any third parties.

All cookies (excluding the necessary cookies) are turned off by default when entering the website. You can select to either accept all cookies or to view cookie settings. Under cookie settings you can choose which analytical, functionality, performance and advertising cookies we can set by clicking on the button(s):

Necessary cookies   **ALWAYS ENABLED**

Analytical cookies   **ENABLED/DISABLED**

Performance cookies   **ENABLED/DISABLED**

Advertisement cookies   **ENABLED/DISABLED**

Others   **ENABLED/DISABLED**

If the user accepts all cookies, all cookies will be enabled. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our website.
